## Linda's April Tid-Bits

*Linda Nixon, Chairperson*

The flowers are blooming and Birds are chirping and it is feeling like spring! We have had some snow, but spring is definitely in the air. We are happy to say the Easter Egg hunt went well. The Easter Bunny and all his eggs were enjoyed by so many! Thanks, to all the volunteers that helped with the Easter Egg Hunt with a Special Thanks to the Easter Bunny!

I hope everyone had a happy Spring Break. Be a watchful Neighbor and drive a little slower. Beware of more people walking and biking in Southglenn with the warmer weather.

Also don't forget about our Meetings on the 3rd Weds of the month at 7pm St Timothy's Church basement.

In the month of May, we have a lot of upcoming things to plan, including nominating and voting for new Southglenn Civic Association board members! We hope to see new faces getting involved. And thanks again to all of the wonderful volunteers – we could not do it without you!

Southglenn is teaming up again with Steller Real Estate Group for our neighborhood garage sale June 12&13. In preparation, I am currently reading "The Life-Changing Magic of Tidying Up: The Japanese Art of Decluttering and Organizing" by Marie Kondo. (I got it on Kindle so I wouldn't have to worry about what to do with it once I was finished reading it.) In this New York Times bestseller, Japanese cleaning consultant Marie Kondo takes tidying to a whole new level, promising that if you properly simplify and organize your home once, you'll never have to do it again. She boils the task down to two simple decisions: What to keep? Where to put it? As for what to keep, her advice is to sort through categories of items (as opposed to room-by-room) to determine what "sparks joy." In my mind, "sparking joy" can be supplemented with advice from a William Morris quote - "have nothing in your house that you do not know to be useful, or believe to be beautiful." In reading through testimonials from people who have read this book, they claim it is life changing, and if you follow the KonMari method to tidying, you should have an enormous amount of "stuff" for your garage sale. If you'd like to participate (have your address included on maps, signage pointing to your sale, charity pick up after the sale), please reach out to me with your name, address, phone number and email (if you have one as it makes it easier to communicate with participants). Once I've confirmed your SGCA dues are current, I will forward your information on to The Steller Group.

## The 2015 Drennen's Dreams Splash Dash is scheduled for Sunday, June 7th!!

Steph Petersen

The 3rd Annual Splash Dash is right round the corner and the Southglenn neighborhood is key to our success. We'd like to say thank you to everyone that has been so gracious and cooperative with our 5K race the last few years. Your participation with your sprinklers, slip n' slides, water guns and balloons is always so much fun and is what helps set this race apart from others in the metro area. We truly have a fantastic neighborhood and couldn't make it a success without your help.

We'd like to extend an invitation to all the Southglenn and surrounding residents to come join us this year. Our registration site is currently open and accepting early bird registrations. The registration website URL is: <http://www.runningguru.com/Event.asp?eID=13360> or, you can simply visit **DrennensDreams.org** and click on the link that is on the home page which will take you straight to the registration website as well. Please visit the registration website to learn all about the event and what's planned that day. For more about our foundation and our mission, please visit our website's About Us page.

If you are a local business and would like to help sponsor the event, we still have a few sponsorship opportunities open. Please send us an email at [info@drennensdreams.org](mailto:info@drennensdreams.org) with the subject line "Sponsorship" and Melissa O'Melia or one of the other Splash Dash Committee Chairs will contact you with pricing and information. Additionally, if anyone is interested in volunteering you can also send us an email and please put "Volunteering" in your subject line of your email; this way we can direct it to the right person to take care of your request.

Make sure you mark your calendars for June 7th, 2015 to be at Arapahoe High School at 9am to join in the fun and get your running shoes on! Register today as space is limited and the early bird savings ends mid-April! If your house is along the race route

and you can help drench the runners as they pass by or simply cheer them on, we'd love the participation there as well. Summer is coming up fast, enjoy your spring!

## SPRING at Southglenn Country Club 2015

With spring just around the corner, the Southglenn Country Club is gearing up for another great season! For a half century, Southglenn Country Club has provided recreation, fun, and camaraderie for members and their families. This continues to be our focus and primary goal now and in the future. Soon our golf associations and Gator swim team will be in full swing. We have something for everyone – golf, swimming and tennis. Buying a club membership is a terrific way to enjoy family or individual activities and meet new friends, not to mention the health benefits that can be realized. Soon the mowers will be running, the grass will be growing, the blue canopies will be up, the pool will be filled and great memories will be made!

### Social Events

Our social committee is busy planning events and activities for all ages for the coming season. We'll kick off our 50th Anniversary celebration with the nationally-known, Eagles Tribute Band, "The Long Run" playing a FREE outdoor "Concert on the Green" (fairway) on Thursday evening, June 11, from 6:30pm-8:00pm at SGCC. We'll have the always favorite Glow Ball golf tournaments, along with movie nights, 4th of July celebration and more!

### Membership

Renewal memberships are due now and for new members, we are waiving our initiation fee and the Board decided to keep dues at our 2014 rates. A Southglenn Country Club membership is more affordable than ever. Make time to get to the pool, play golf, and attend as many events as possible. You work hard and we recognize that your discretionary leisure time is precious. You

deserve the good times, friendships and life-long memories that are here waiting for you.

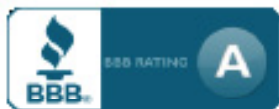

### GM Corner

Last summer, the weather cooperated greatly in giving us emerald green fairways! But, the person who makes the most of keeping the club in top condition, both on the greens, in the pool, on the courts and in the clubhouse is our General Manager, Mike DiBlasi. We are very fortunate to have a GM with over 35 years experience in Country Club management, so, if you need information about Southglenn or membership, Mike can be reached at 303-798-1656.

## May's Annual Meeting

Linda Nixon

At the Southglenn Civic Association annual meeting in May, we'd like to see some new faces and hear some new voices. The SGCA Board consists of 13 Board Members at the most. The board is currently made up of only eight people. Officers are: Linda Nixon, Chair; Susie Elmer, Vice Chair; Dora Cash, Secretary; Dale Rottschaefer, Treasurer and Sue Sietz, Historian. Rounding out the board are Chris Haller, co-editor of Southglenn Reporter, and Dorthy Mauro and Theadus Duke who are Southglenn's CenCON representatives. We will be having our yearly board election in May and want to invite you to get on the ballot for May. Please come and vote and hopefully we will attract some homeowners that would love to be on the board with those of us that are planning on staying on the board.

## Attention Volunteers Needed

Linda Nixon

We need some more help it is hard to depend on the same people all the time. After all we are only volunteers and some people have been helping and doing things for a very long time. We appreciate our volunteers so very much, but it is hard to do every event with just the support of the same few people. As time goes on we need some new people to join in the future of Southglenn. We have lost a lot of help this year - our volunteers, including our board members, have slowed down or doing other things they want to do with their time. We really need more involvement with the board as well as help with Activities and Planning. Hope you will come and join us!

## The 11th Annual State of Our City April 16

The Rotary Club of Centennial and the City of Centennial are pleased to announce Centennial's annual "State of Our City" luncheon scheduled for Thursday, April 16, at the Embassy Suites Hotel. The keynote speaker will be Centennial Mayor Cathy Noon. The event will be emceed by CBS 4 reporter Jennifer Brice, a Centennial native. Mayor Noon will be highlighting the City's great performances of 2014 and looking ahead to the exciting projects happening in 2015.

"I truly appreciate the Rotary hosting this annual event. This provides the business community, residents and our surrounding neighbors an opportunity to interact and hear about the City's accomplishments and future goals. Of course this is a great way for the Rotary to share information about the tremendous projects they do and the difference they make in so many lives," says Centennial Mayor Cathy Noon.

The "State of Our City" luncheon is at the Embassy Suites Hotel, 10250 E. Costilla Ave., Centennial, Thursday, April 16. Registration begins at 11 a.m. Individual tickets are \$40, with sponsored tables also available. The event is open to the public; seating is limited and reservations are strongly encouraged. Visit [www.CentennialCo.Gov/StateofCity](http://www.CentennialCo.Gov/StateofCity) for more information and to register.

Proceeds of this event go to the Centennial Rotary Club Foundation. The foundation assists local charities and community service organizations.

## Celebrating Extraordinary Youth In The Community

On March 16, the City of Centennial recognized six outstanding Centennial high school students with Youth Achievement Awards during a City Council Meeting, including Arapahoe High School junior, Adrien Dysart. The Youth Achievement Award honors and recognizes Centennial youth who have made a significant impact on the community through volunteer work or other special deeds that demonstrate exceptional leadership. The 2015 \$500 scholarship recipients are Nicolas Beran, Colette Martinez, Adrien Dysart, Madeline Brill, Andrew Starr and Emma Arnese.

Adrien Dysart is a junior at Arapahoe High School whose passion for service began in the 6th grade when he joined the St. Timothy's Youth Group in Centennial. In addition to many local initiatives, Adrien works all summer to raise \$1,200 for a service trip each year. The group travels out-of-state to build and repair homes for people living in extreme poverty.

## Fun Is The Secret To Getting Kids Active

Children who spend all their free time on the computer or watching TV may develop health and weight problems as they grow up. As a concerned parent, you can tell them how important exercise is, but getting them up and moving around can be an exercise itself—in frustration. Overcome the challenge with these kid-friendly tactics:

- Use the right words. Don't use the word "exercise." Instead, use words like "fun" and "play."
- Collect active toys. Keep a stock of items your child can get energetic with: beanbags, jump ropes, kickballs, hula hoops, and so forth.
- Plan activities. Suggest a party or get-together for your child and his or her friends during which they can play games like "Red Light, Green Light" and "Simon Says."
- Target your child's interests. If your child loves to read, suggest a bike ride to the library. If your child loves surfing the Internet, ask him or her to research a topic—gardening, for instance; then plant one together.
- Get outside. Plan a nature walk or a day out skating, swimming, or engaging in any other active endeavor your child enjoys.
- Use commercial breaks. If your child is a TV watcher, take advantage of the commercials. Suggest moving around before the show resumes: walking up and down some stairs, seeing who can do more toe touches or jumping jacks, or marching in place and counting the steps.
- Enlist your pets. Ask your child to take the dog for a walk or a race, or play (gently) with your cat.
- Go shopping. If you need something from the store, ask your child to walk there with you. Play "I Spy" or other such games along the way.

## Protect Family Members From Devastating Falls

A simple fall can begin a complex series of lifestyle changes and health problems for seniors and their families. The most common causes of falling are slipping, tripping, or stumbling. Most spills occur in the home or just outside of it. Of the older adults who fall, 60 percent make trips to the emergency room, and almost a third of them subsequently require help with daily living activities. Whether you care for an elderly family member, or worry about falling yourself, here are some safety tips for avoiding stumbles and tumbles:

- Survey your home. Do you have furniture blocking people's way? Do you have slippery throw rugs on the floor? Do you have books, papers, or shoes on the stairs? Keep all pathways clutter-free and easily maneuverable.
- Light your home adequately. Make sure to place lights beside all beds to help you and others see when getting up at night.
- Watch where people stand. Invest in a sturdy, steady step stool to help get to items stored just beyond comfortable reach.
- Get regular exercise. Staying in shape helps maintain strength and stability.
- Examine medications. Talk with a doctor or pharmacist to determine whether pills will cause dizziness or problems with cognition.
- Go to the eye doctor. Get vision checked at least annually. Poor vision can increase anyone's chances of falling.
- Stand with caution. Get up slowly from sitting or reclining positions to reduce the risk of feeling faint.
- Pick the right shoes. Choose footwear with good traction. Avoid walking barefoot or in slippers in your home.
- Check the lights. Make lighting improvements in your home. Use brighter bulbs to increase visibility.
- Reduce window glare. Hang lightweight curtains to reduce the glare in your home. This will prevent moments when you or others might temporarily lose the ability to see.
- Check your stairs. Paint a contrasting color on the top edge of each step of every staircase in your home. This will help people see exactly where they're about to put their feet.
